Greetings from Germany.

Here it is, December 2016! Hard to believe another year is almost over.

-My administrative team and I have processed many applications so that we could send out teams to assist with renovation work and serve in evangelistic outreach in Germany, Sweden & Ireland. We've also assisted with conference and training registrations throughout Europe. (I had the opportunity to help in the kitchen during the French field retreat.)

Here's our team. The newer folks are finished with language school. It's exciting to have a full office up and running again!

-Coworkers Kim & Jenny have served on Lesvos with the refugee situation for a year now. Kim led at least 30 teams through GEM, and I have enabled these teams through my administrative assistance.

English outreach continues to be a joyful part of each week. We meet in a German restaurant and discuss topics like music, thanksgiving, inventions, holidays. Pray for Helmut, an older gentleman who couldn't attend this fall. He's not a believer and is close to dying. We miss his cheerful smile.

I participated in two more sessions of leadership training; there is one more to go in March to complete the program. (Here we're constructing through team work.)

As a result of your financial generosity, I was able to purchase a new computer, and my run-down car was replaced with a newer vehicle. (Payments are still being made on a car loan.)

Thanks for your faithfulness in prayer and contributing financially to allow me to serve.

Please make use of the enclosed card if you would like to become a monthly supporter, or contribute a one-time gift to my ministry, or for funds to help with the car loan payments.

May you be blessed this Christmas season and in the coming year.

In Christian love,

Shirley Unger
